

10 Days is a prayer meeting for our entire region. The goal is a season where Jesus is the focus of every heart in this geographical area.

It's celebrated simultaneously in cities and towns around the world on an annual basis. Over 300 Locations organized and joined 10 Days in 2022 with participants from all six continents.

This year, we sense a call to take a break from what's normal on earth so we can enter into what's normal in heaven...And we welcome you to join us each night for united prayer, worship & repentance.
